FOREWORD

IN 1948-'49

Schools opened late in September because INFANTILE PARALYSIS had waged a successful campaign throughout the state of North Carolina. A new principal, WALTER J. GALE greeted the Seniors and after his words of welcome laid down three rules to be obeyed: No smoking, No leaving the school grounds, No going up and down the wrong steps. FOOTBALL season was already underway before the first school bell rang, but students under sixteen were not allowed at the first game. After school started, it did not take us long to choose our cheerleaders, and our BAND was again at work. In October, the North Carolina STATE FAIR had a double attraction for us. We had part of the day to attend, and the greatest exhibit of all was PRESIDENT TRUMAN who paid a visit to our city. National and State elections were not far off. At school, in our government classes, we had a convention and then an election. On that Tuesday in November we had an election in our school. On Wednesday we had radios in our classrooms to follow what proved to be the biggest political upset of the century—HARRY S. TRUMAN was elected PRESIDENT. KERR SCOTT was elected GOVERNOR. In other classes we had acquired a new respect for a man by the name of Gilmartin. We found that physics, solid geometry, French, Spanish, typing, shorthand, dramatics, music, English, history, bookkeeping, mechanical drawing, industrial arts and other subjects kept us busy everyday. NEW CLUBS were organized. Everybody belonged to at least one of them. Organizations, such as the Social Dance Club, the Psychology Club, the Good Listening Club were new to our school. In October, we began work on the LATIPAC. Individual pictures were made in the auditorium and group pictures interrupted our schedules for two or three days.

The *Hi-Times* appeared on a day each month to remind us of some things in particular. So it was at THANKSGIVING and again at CHRISTMAS. Along with our work we entered into the spirit of these seasons. We counted our blessing. We enjoyed the hurry and the rush and the excitement of getting ready for Christmas. We thought that December 23 would never come. Every room at school was decorated for the Christmas season. In the chemistry classes, only things from the chemistry department were allowed on the tree. In Miss Cogdell's solid geometry class, only geometrical figures were used. Both turned out to be things of beauty as well as objects of interest. January 3, 1949, found us again at school. The State Legislature was in session. Nearly every student attended a session at one time or another. Many students stopped by the museum to see the presents on display that came from the French Friendship Train. Before EXAMINATION time arrived, our BASKETBALL team was seeing action several nights a week. This basketball team turned out to set a better record than any Raleigh basketball team ever had. The most humorous games of the year were played when the men faculty members consented to play the varsity, and the women faculty members consented to play the Girl's Athletic Association team. February's biggest thrill for us was the election of the QUEEN OF HEARTS. This year we had the pleasure of seeing the president of the Senior Class crown his girl queen. We also selected our SUPERLATIVES. In the spring forty-two students left for NEW YORK. We did more than attend the Press Convention. Immediately after this trip was over, we had our SENIOR PLAY—"Mystery in Blue." March and April found music students at Meredith and Greensboro, dramatic students at Chapel Hill, and state contest were conducted here in our own school. The Juniors entertained us at a dance that recalled the pleasures of the seasons in the decorations they used. Every Friday night was filled with a dance, a game, a play or something of the like. Our baseball, track, and swimming team made good records. In May we realized that we were SENIORS. We planned for the "the big Week." We filled out questionnaires; we promised not to be undignified in our caps and gowns; we wrote script for Class Night; we planned the picnic; we prepared for the Senior issue of the *Hi-Times*; we studied!

As you turn the pages of this the 1949 LATIPAC, we hope that you will live again the pleasant memories of this year.

DEDICATION

*Best wishes
N.A. Miller*

We, the Senior Class of 1949, proudly dedicate this volume of our cherished high school memories to one who has served the students faithfully, both as a coach and a friend. His willingness to extend a helping hand has done much toward making this our last year at Broughton, a more profitable and enjoyable one. Thus, we dedicate this annual to

SENIOR CLASS OF 1949

As seniors, the time has come when we have reached the peak of our dreams and ambitions, and all of us pause to look back over our days at Broughton. We remember all the pleasures of our years of work and activities, and because they have slipped by so quickly, we have not realized that they were perhaps the best years of all. The friends we have made, the joy and sadness of our lives together are memories which are held deep within our hearts.

We regret leaving this part of our lives behind; but we shall strive to do our best wherever we go or in whatever we do, so that Broughton will always be proud of us.

To our teachers—on your guidance and understanding we base our trust in the future and know that what we become we owe to you.

To our friends—you are what have helped to make our days so full of the things we will long remember and—to you—our Alma Mater, Needham B. Broughton High School, we say a lingering farewell, but we look with eagerness to a future which we know will be bright because you will help to make it so.

JUNIOR CLASS OF 1949

The Junior Class began its successful year by electing Kenneth Smith for its president, Pete Jenkins for vice-president, Peggy Yancey for secretary, Cary Holliday for sergeant-at-arms, and Gertrude Chappell for treasurer.

As one of their projects for the year, the juniors sold refreshments during all the basketball games. The proceeds from this project went into the class treasury to be used for the annual Junior-Senior Prom, which is given each year to the Seniors by the Junior Class.

Marshals from the Junior Class this year were Virginia Clayton, Patricia Alphin, Alex Wilson, and Lyman Kiser.

Several juniors were chosen for membership in the National Honor Society. Those chosen were Kenneth Smith, Peggy Yancy, Anne Rothgeb, Jackie Clarkson, Patricia Alphin, Vincent Anderson, Bob Conelly, Ann McDonald, and Helen Willard.

Miss Cogdell was the class adviser and due to her fine leadership, untiring ability and understanding, the Junior Class has had a very successful and outstanding year.

STUDENT COUNCIL

In the year 1929, the Needham Broughton Student Coöperative Association was organized with a Student Council to assume leadership. The constituents of the Council with voting power are: (1) officers: president, vice-president, secretary, sergeant-at-arms, elected by popular vote of the students, and the treasurer, appointed by the adviser of the central banking system; (2) a representative elected from each home room; (3) the chairman of the ten standing committees who are presidential appointees. During the meetings of this group, which are held twice monthly, opinions and suggestions from the various home room members are expressed.

As the will of the student body is always desired, the most plausible suggestions made through the council members are formulated into plans. The Student Council endeavors to promote student interest in the various phases of high school life and encourages all forms of pupil participation in school activities.

THE GLEE CLUB

Needham Broughton High School's 1948-1949 Glee Club of eighty-five members under the direction of Mrs. Kenneth Hite, has had a successful season.

The officers elected were John O. Davis, president; Skipper MacMillan, vice-president; Jean Spivey, secretary; Anne Rothgeb, treasurer; Margaret Duncan, reporter; Jimmy Gill, sergeant-at-arms. The accompanists were Fran Green and Jean Spivey.

In the fall the Glee Club, with the help of the dramatics department, produced a Geoffrey O'Hara operetta entitled, "Riding Down the Sky." They also presented the Christmas program at assembly and at a Parent-Teacher Association meeting.

In the spring, the department entered the State Music Festival. They also gave two assembly programs, followed by the Annual Spring concert. They sent groups to Meredith and Greensboro.

FOURTH & FIFTH PERIOD GOVERNMENT CLUB

Miss Runnion's three government classes organized themselves into Executive and Legislative Departments similar to those of the Federal Government. The first period class composes the House of Representatives; second period, the Cabinet; fourth and fifth period, the Senate.

Regular sessions were held daily. The House had committee and news reports, the introduction and discussion of bills, panel discussions, and debates.

After bills were passed by the House, they were sent to the Senate where they were again referred to committees, debated, and voted upon.

The Cabinet advised the President and aided him in the preparation of his presidential message to Congress.

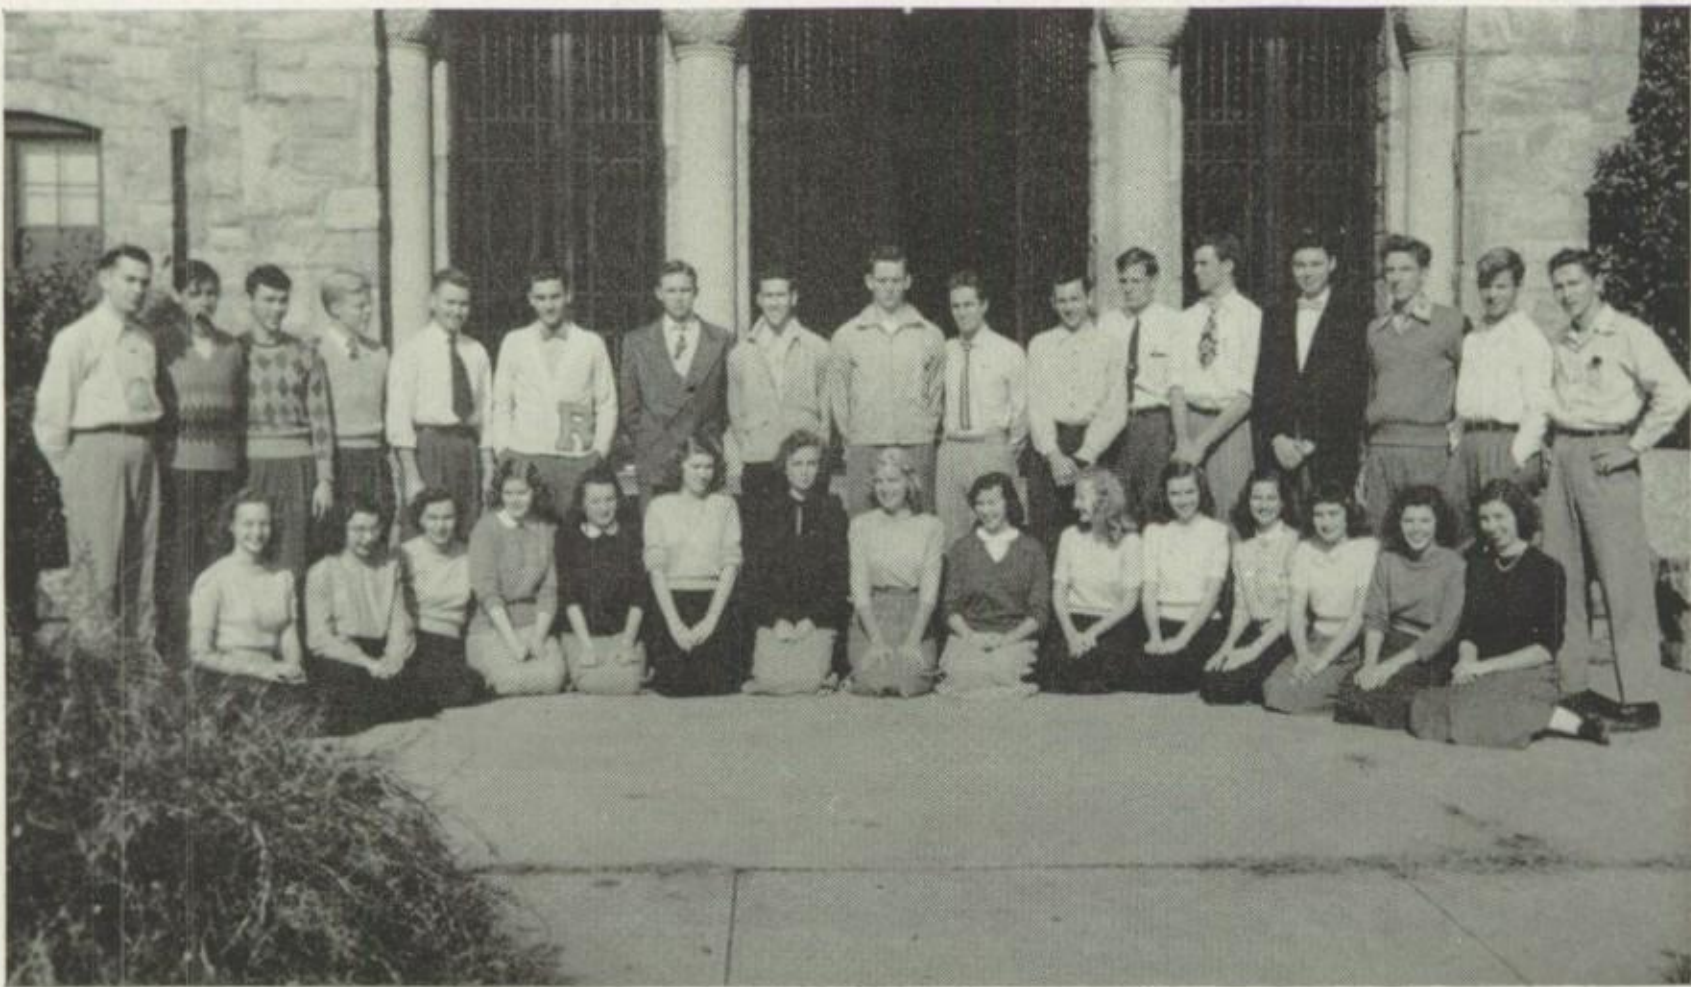

The main project of the classes last fall was the conducting of a mock political rally and presidential election. The upper classes, civics, history, and study halls were invited to attend the rally. The platforms of the Democratic, Republican, States Rights, and Progressive Parties were presented.

After this "Political Education" campaign, an election of the presidential electors was held in the home rooms. Registration and voting by ballot was the plan used.

A mock court trial complete with judge, lawyers, and jury was also dramatized.

In the spring the government classes were organized into three departments of the United Nations. Panel discussions concerning international problems arising before the U. N. were presented.

In addition to textbook work the students had movies, outside speakers, and debates.

The five sections of the Spanish Club, "Los Amigos," have met this year every Friday for thirty minutes during the regular class period. The purpose of the club program is to increase interest in and make acquaintance with the traditions and people of the Spanish speaking nations, particularly our neighbors to the south, thus fostering international understanding and good will.

Several films on Latin America, reports by students, imaginary "tours" of several countries, and occasional guest speakers have contributed to this understanding. To afford practice in hearing and using Spanish, short plays, games, contests, Spanish recordings, and the learning of songs have been important parts of the programs. A number of students have corresponded with young people in the Spanish speaking countries.

Many students have earned the right to buy and wear the Spanish club pin by receiving points for contributions to programs according to a merit system worked out by the club.

The climax to the club's activities each year is the annual banquet held in May.

The Latin Club was composed of three first-year sections and three second-year sections which met one day each week during the class period.

The purpose of the Club was to acquaint the student with the Roman legends, divinities, and various phases of Roman life.

The members took just pride in their library which has been built up from year to year to meet the needs of both ninth and tenth grade students. Those books best suited to the ninth grade were put in Mrs. Fletcher's library; those for more advanced, in Miss Strother's.

Bobby Duncan was appointed head librarian and he had several assistants. They operated on the same plan as the Broughton Library.

With its dictionaries, its reference books, its fiction, its myths and fables, Broughton now has one of the largest and best high school Latin libraries in the state.

LIBRARY CLUB

Left to right: Billy Crocker, Alan Harris, Ethel Banner, Miss Viola Jones, Mary Fuller, Wynne Norman.

Left to right: Sue Pearce, Virginia Gilliam, Phil Johnson, Alice Young,

Left to right: Robin Singleton, Mary Jo Nelson, Lorraine Carroll, John Sprinkle, Bobby Duncan, Barbara Johnson.

Left to right: Miss Burge, Mildred Rhodes, Peggy Mitchiner, Martha Cope, Clyde Bryan.

The Library Club, which is composed of the student assistants, meets twice a month in the library. The club is under the supervision of Miss Nancy Burge, the librarian, and the officers of the club are: Charles Caldwell, president; Barbara Johnson, vice-president; Wynne Norman, secretary; Mildred Rhodes, treasurer; and Billy Crocker, sergeant-at-arms.

Other members of the library staff include Miss Viola Jones, assistant librarian, and student assistants Ethel Bonner, Mary Evelyn Fuller, Phil Johnson, Lorraine Carroll, Sue Pearce, Warner Smith, Virginia Gilliam, Alice Mae Young, Clyde Bryan, Martha Cope, Mary Jo Nelson, John Sprinkle, Alan Harris, Peggy Mitchner, and Bobby Duncan.

Each student assistant has a regular schedule for work in the library. This work includes checking books in and out, keeping the book shelves in order, supervising the reserve collections, shelving books, keeping the magazine room in order, making bulletin board displays, and making and delivering notices.

During Book Week, the library staff assisted the P.T.A. in entertaining at a reception for the combined membership of the Needham B. Broughton and the Hugh Morson P.T.A.'s. At this time nearly 300 new books were on display. Christmas week was a busy one in the library with a coffee hour for the faculty, parties for all the eighth grade classes, and recorded music and stories for many English classes.

This club is affiliated with the North Carolina High School Library Association which was organized last year to help promote the recruitment of school librarians.

With the increased membership in the Dramatic classes, interest has been high in this field this year. The Little Theatre, under the direction of Miss Doris Sparks, adviser, and "Red" Pope, president, has had an eventful year.

This group coöperated with the Music Department in producing the operetta "Riding Down The Sky" and on January 21, presented a three act, teen-age comedy, "Don't Take My Penny," as its annual production.

For programs in the Little Theatre, several one-act plays and pantomimes were given. Speakers representing different phases of the theater, radio, and music in connection with dramatics, were also featured. The nucleus of the committees for the Senior Play was formed by the Little Theater

LITTLE THEATER

and the Dramatics classes. There are fifty members in this club and they meet twice a week in the Auditorium.

Members of this club decorated the cafeteria during the Christmas season. Two plays given by the Little Theater and the Golden Masquers were entered in the annual Spring Play Festival in Chapel Hill during March.

Honorary dramatics society, The Golden Masquers, has done much to improve dramatic relations between the school and the stage. It has also given counsel to the selection of plays and dramatic problems of the school.

SENIOR HI-Y

The year of 1948-49 was an outstanding one for the Broughton Hi-Y, as the club has accomplished many outstanding projects. This club is sponsored by the Y.M.C.A. and works in close harmony with the school and community.

In November a school-wide clean-up campaign was sponsored by the Hi-Y with excellent results. When the school clocks and bells were out of order, Hi-Y boys blew whistles for change of classes. As a further help to the school, this club offered monitors to watch the cafeteria lines and work successfully the entire year in connection with the school traffic committee. This group also gave gifts to a needy family during Christmas. Every fourth Sunday the members attend in a body one of Raleigh's churches.

The Hi-Y presented its annual Minstrel in March and gave a dance during the second semester. A Leap Year Dance was given by the Hi-Y in late December, carrying out the "girl bring boy" motif.

The club meets every Thursday night at the Y.M.C.A.

The Jr. Hi-Y has participated in various activities which have proved beneficial to their school. The sale of basketball programs was profitable to both the club and those who attended the games. Christmas found Jr. Hi-Y members generously contributing to a needy family of Raleigh. Numerous clean-up campaigns were sponsored throughout the year. At the last of the year the club presented a trophy to their choice of the outstanding coach of the year.

THE AUDIO-VISUAL CLUB

The purpose of the club is to advance visual education in the school and to teach theory and practical knowledge of Audio-Visual equipment.

The Audio-Visual Club started the 1948-1949 year with only four or five active members. During the year the club increased until at one time there were thirty members, of which about twenty were active. Along with its many other activities, the club showed several hundred movies and installed a permanent sound system in the auditorium which is controlled from the projection booth.

LATIPAC CLUB

There's more work to putting out an annual than just taking a few pictures and sending the copy to the printer's. As you enjoy this LATIPAC, think about some of the work that's behind it—the work that had to be done in order to give you an annual.

The first thing that had to be accomplished before starting the actual work on the LATIPAC was to elect the officers for the annual. Sammy Jean Johnson was elected editor-in-chief; Ann Kelly, business manager; and Ham Godwin, advertising manager.

After the election of LATIPAC officers, there came signs that the annual was really underway. Mr. F. L. Johnson of Zecca studios came over from Chapel Hill to take pictures, and his camera was really kept clicking because he took individual pictures as well as group pictures. However, he could take a breath now and then as David Evans assisted him in taking the group pictures.

At this time Mr. J. H. Hardison of Edwards and Broughton Co. brought us a layout for the 1949 LATIPAC. We began work.

The two journalism classes composed the literary staff and most of the advertising staff for the annual. The LATIPAC club was organized for the first time, and this club aided the journalism classes in soliciting ads. The students who sold the most advertisements were Millicent Rouse, Betty Bryan, Betsy Axe, Patsy Andrews, Iris Pendergraph, Pat Eberhart, and Sammy Jean Johnson.

Some of the students instrumental in compiling the literary part of the annual were Elsie Macon, senior editor; John Duncan, Bob Caudle, Billy Crocker, Mial Williamson, and Red Pope, who compiled the sports section; Henry Lewis, Camille Turner, Pat Weems, Mary Frances Ruggles, Madelyn Schreffler, Bobby Goss, and Tessie Russos, who identified pictures and wrote club activities; and Ann Zappa, Ann Clark, Carolyn Evans, and Charlotte Taylor, who typed the material for the annual; and Margaret Crawford, joke editor.

Finally, after the pictures were in and all the clubs had been written up, the copy was ready to be sent to Edwards and Broughton, who have been printing the annual for many years. This year, the Senior class voted to have the name of each senior engraved on the front of his annual; so Edwards and Broughton had an extra job.

But not all of the work was done when the annual went to press. Of course, there was a lull, but work started anew when we received the first proof sheets of the advertisements. Then the journalism students got busy collecting the money for the ads. Several weeks later, the proofs of the literary section came back, and then began the task of proof-reading the entire annual. After this was completed, the annual returned to Edwards and Broughton for the final printing and engraving.

This annual, the product of the hard work of the journalism classes with the aid of the LATIPAC club, contains 20 more pages this year than it did last year. It contains a larger sports section and more snapshot pages than before.

Yes, it cost work to put out this 1949 LATIPAC, but it was fun too!

Good and Good Halliday **ATHLETICS**

FOOTBALL

The fall of 1948 left the Raleigh Caps football team with three wins and six losses. Although this season play did not uphold the records of previous Raleigh teams, the boys showed the traditional fighting spirit and fine sportsmanship.

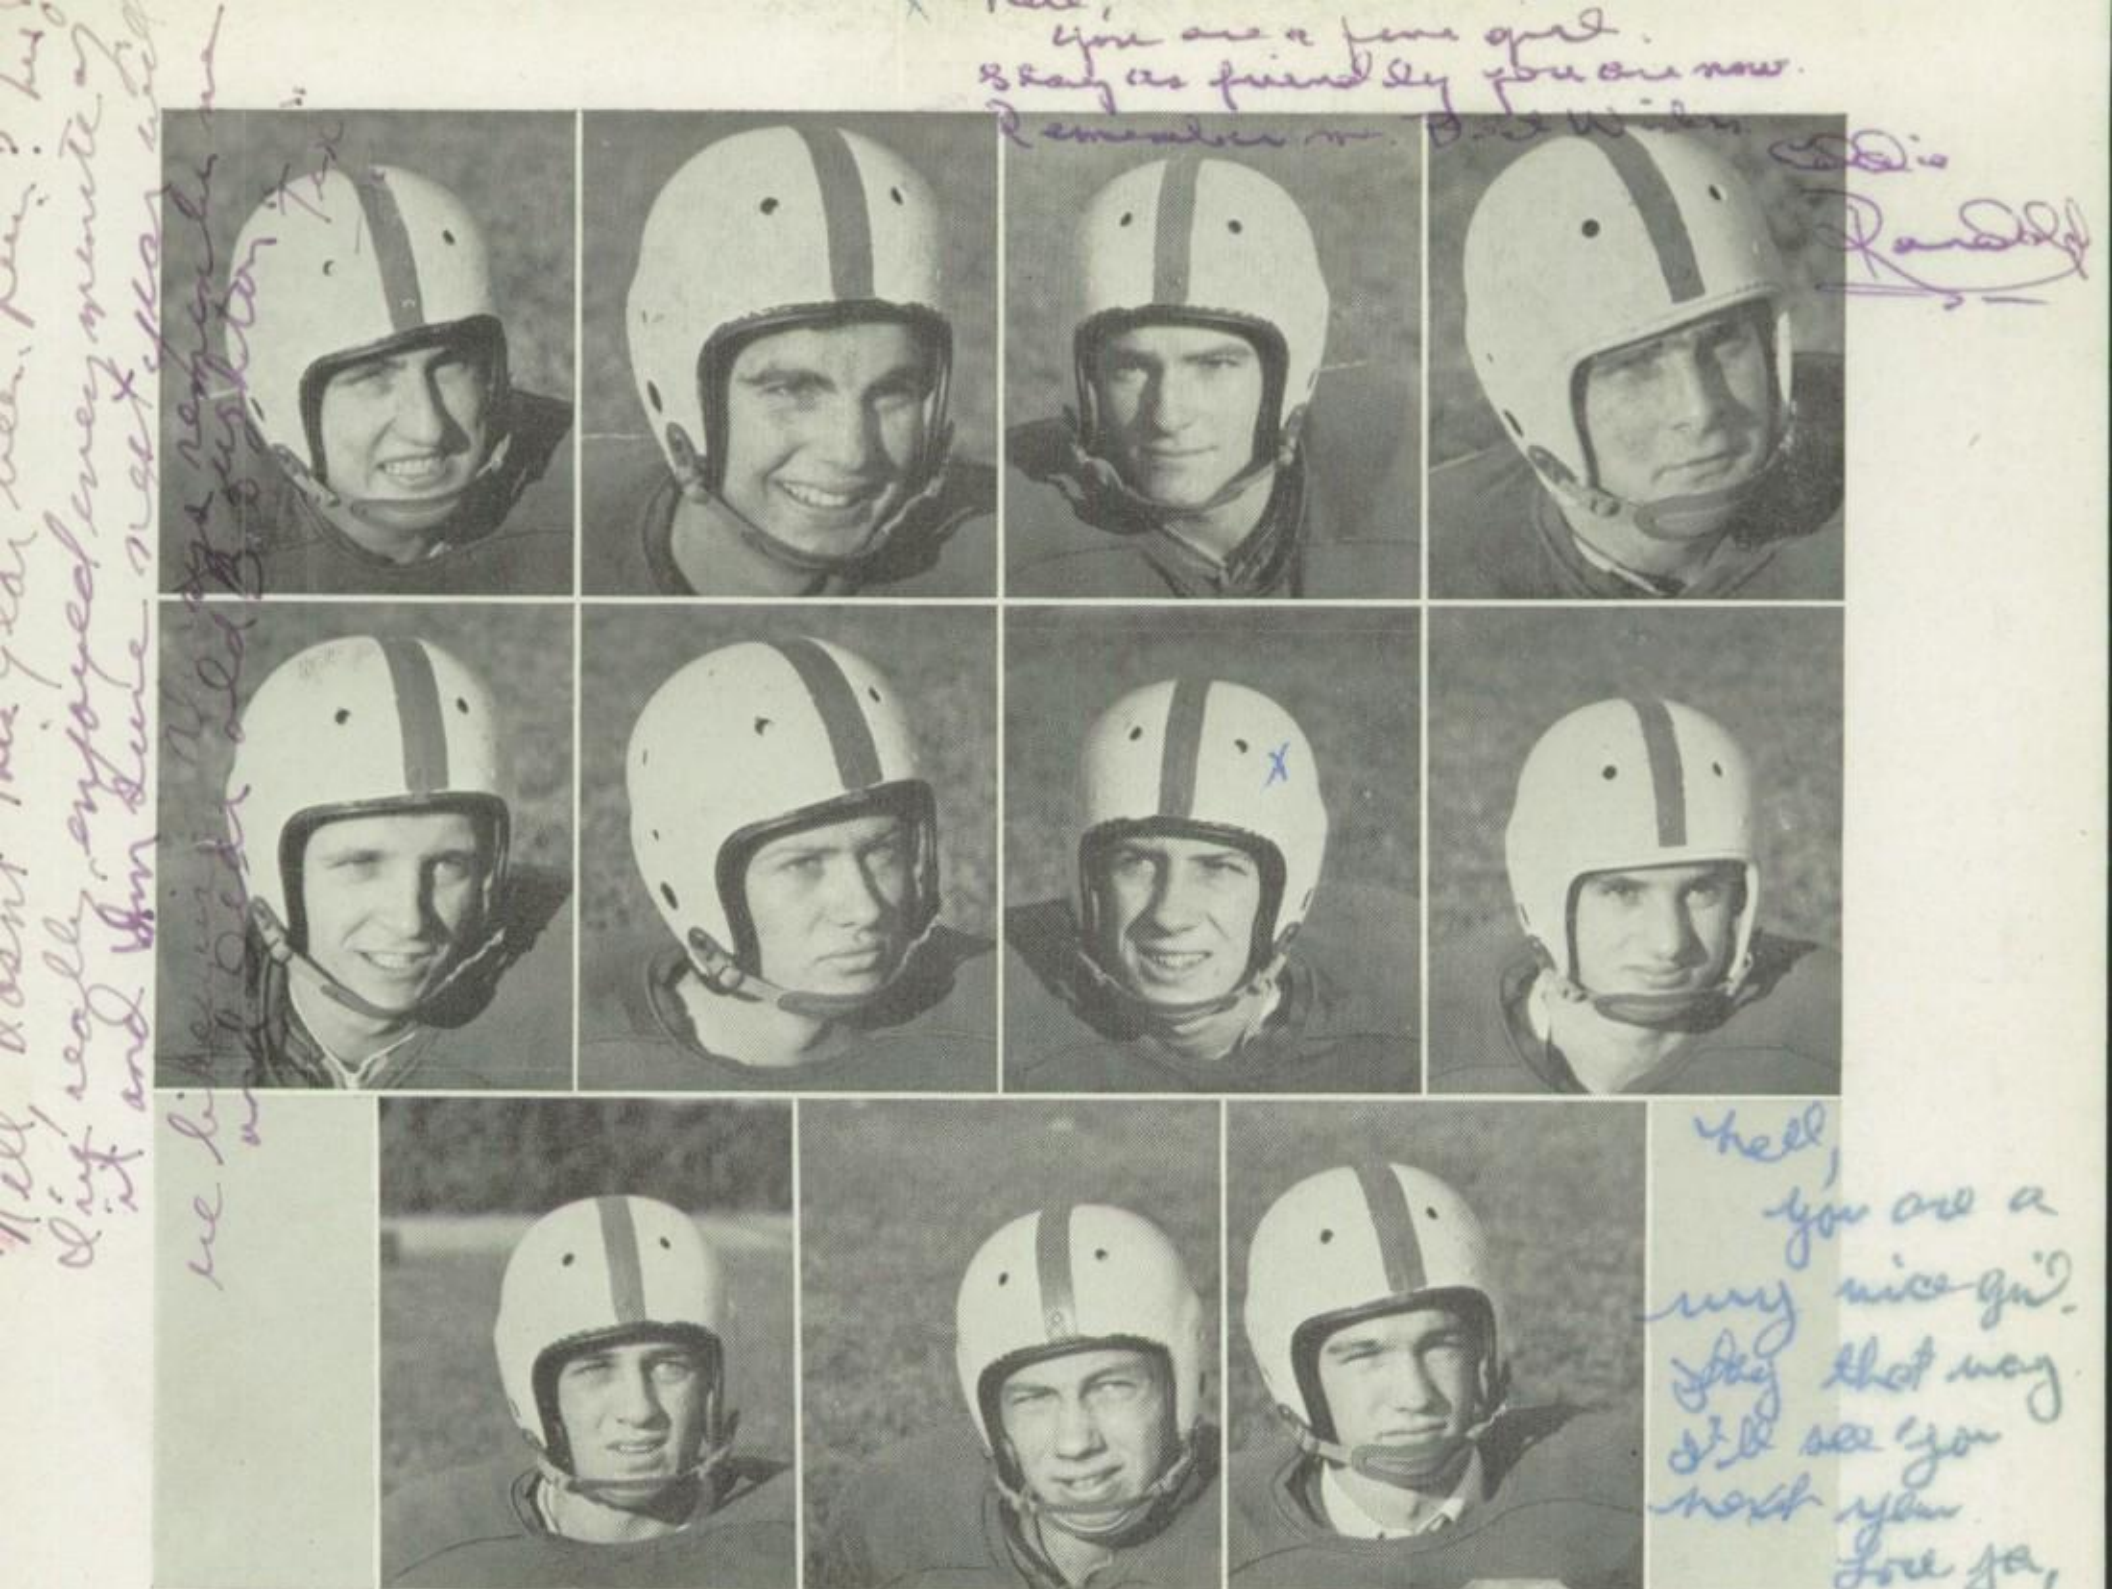

Captain Dick Sommers, All-Southern and All-State halfback, and Sonny Ussery were the only two holdover starters from the previous year's team. The remainder of the squad had seen little or no varsity competition before this year. A great deal of the defeats suffered by the Caps were due to the lack of seasoned players.

Several of the boys played in post season games. Dick Sommers was Raleigh's representative in the Shrine Bowl game. Charles Caldwell, Billy Ammons, Roy Vaughn, and Frank Sherwood played in the Optimist Bowl.

Lee Stone and N. A. Miller, head coach and line coach respectively, are to be highly commended for their extraordinary handling of numerous first year men.

First row, left to right: Newton, Caldwell, Pierce, Ammons, Taylor, Baise, Vallas, Vaughn, Clement, Lawrence. *Second row:* Waters, Eure, Bland, Askew, Sommers, Styres, Popajohn, Easterling, Mathews, Sutton. *Third row:* Jenkins, Blake, Parham, Wooton, Ledford, Kost, Holland. *Fourth row:* Miller, Coach; Kiser, Marshall, Twiggs, Pearce, Hilliard, Holliday, DeBerry, Randolph, Ussery, Stone, Coach.

First row, left to right: Eure, Collier, Wooten, Baise. Second row: Pierce, Easterling, Randolph, Newton. Third row: Bland, Taylor, Askew.

BULLDOGS BREAK JINX

Raleigh's long domination of Durham on the football field came to a close this season in the form of a hard fought 6-0 defeat. A seven yard run by Arnold Ewing provided the margin of victory for the Bulldogs. The Caps' offense was stymied throughout the game, but Charlie Caldwell and Ted Vallas played an outstanding game in the Cap's forward wall.

HURRICANE DEFEATS CYCLONES

The Caps bounced back into the win column with a 21-6 victory over Wilson. Coach Lee Stone's boys scored a touchdown in each of the first three quarters and in the fourth period Tackle Frank Sherwood dropped Billy Lyles behind the Wilson goal for a safety. Raleigh's first tally was set up by a 36 yard punt return by Dick Sommers, who later plunged two yards for the score. A drive in the second period was highlighted by a 24 yard pass from Ussery to Newton, which moved the ball down to the four yard line. From there Ussery carried the ball over. Sommers again scored for the Caps, after a 45 yard drive.

VIRGINIANS NOSE OUT CAPS

Woodrow Wilson's highly favored eleven turned back a hard fighting Raleigh team by a 19-12 score. Newton provided Raleigh's offensive spark by scoring both touchdowns. The Presidents first touchdown came on a pass from Bengie to Cowen. Bengie personally accounted for the Virginian's last two scores with two short plunges. Ussery's passing also highlighted the hotly contested game.

AFTER TWENTY YEARS

The New Hanover High Wildcats tried to make up in one game nineteen years of winless efforts against Raleigh by trouncing the Caps 39-0. Brewer, Gregg, and Smith each scored twice as Wilmington tallied in each period. The Cap's offense clicked its best in the last quarter. Raleigh advanced the ball to the Wilmington twenty-two yard line on this drive.

SOMMERS STARS AS RALEIGH WINS

Dick Sommers, the backfield star of the Raleigh football team, had his biggest night as he scored four touchdowns and one placement to lead his teammates to a 27-6 victory over Goldsboro. Two of these touchdowns were on beautiful passes from Ussery. John Pierce dropped McRoy, Goldsboro's ace back, behind the goal line for a safety. Vallas, Askew, and John Pierce sparked the Caps' forward wall.

CLAY'S CHILDREN BEAT STONE'S BOYS

A small, but determined band of Methodists from Children's Home defeated Raleigh High's Caps 13-0. Paced by James "Red" Smith and Bill Procter, who scored one touchdown apiece, the visitors emerged with a well earned victory. Sommers and Taylor each averaged five yards or better per carry. Luther Pearce also was outstanding in the Raleigh backfield. Sutton and Vaughn led Raleigh's line.

STATE CHAMPS SHOW STRENGTH

Coach Bill Dole's classy Fayetteville Bulldogs grounded out a classy 38-6 triumph over Lee Stone's Raleigh Capitals. The half found Fayetteville ahead 14-0 and then the Bulldogs came back to role up 24 points in the last half while the Capitals got their lone score on a nifty pass from Eddie Randolph to Dick Sommers. Fayetteville's offense was sparked by three touchdown passes from Seawell to Butler. Sommers and Taylor were outstanding for Raleigh.

CAPS EAT BLACKBIRDS

Raleigh turned back Rocky Mount 20-0 before a Homecoming crowd of 5,000 persons. Raleigh marched 63 yards the first time they took possession of the ball to score their initial touchdown, as Ammons took the ball over from the one yard line. Ussery gathered in a beautiful pass from Sommers for the Caps' second touchdown. The last tally was registered by a blocked punt by Thad Eure and the recovery of it by Charles Caldwell.

HENDERSON BEATS CAPS

The Bulldogs of Henderson High scored two touchdowns on two long runs in the first few minutes of the game to defeat Raleigh 13-0. After that the game was placed at a standstill as the cloud opened up and neither team could advance the ball on the rain-soaked field.

CHEERLEADERS. Left to right: Bo McEachern, Wynne Norman, Alan Gordon, Juliet Fulghum, Red Pope.

BASKETBALL

The 1949 edition of Broughton's Purple Hurricanes won 18 consecutive games and was the first basketball team in the school's 20-year history to finish a regular season without a defeat.

Broughton played an independent schedule; however, they won twelve games over six class AA Eastern Conference teams. Fortunately, the Hurricanes played 10 games at home. Six scraps were on foreign courts, while two were played at the Memorial Auditorium. For the third consecutive year, the Purple and Gold from Broughton copped the mythical "City Championship" with two impressive victories over Hugh Morson.

A total of 922 points was amassed in the 18 games for a 51 point-per-game average. Twice, the Hurricanes hit the 75 point mark, but dropped as low as 29 points in their first game. Kim Buchanan was the point leader this season bucketing a total of 288 points. Second in the running was center Bobby Goss with 193. John Duncan had 137; Mial Williamson, 116; and Dick Sommers, 85.

Sporting an average height on the string of 6 ft. 2 in., the Hurricanes were usually superior to their opponents in this department. Height was an important factor in each victory and with 6 ft. 7 in. Goss, 6 ft. 4 in. Buchanan, and 6 ft. 1 in. Duncan, they dominated most all backboard play. Defensively, the Broughtonites were excellent. The opposition was limited to 604 points for a 34 point-per-game average. Greenville was held to only 20 points during the entire game early in the season.

During this, his third versity season, Mr. Holliday coached by far his best Broughton squad offensively and defensively. Four of his cagers made starting berths on the All-City Mythical Team. Buchanan, Duncan, Goss, and Williamson shared positions with Hugh Morson sophomore Johnny Kelly. Buchanan was a unanimous choice.

Serving as Co-Captains were Forward John Duncan and Guard Mial Williamson.

The reserves on the squad saw action in almost every game, and each scored with the exception of one. Kenneth Smith, Billy Davis, Harold Rhodes, and Pat Caviness were Holliday's first choices for relief players. Eight of the 15 men on the squad are seniors.

In a practice encounter the varsity defeated a determined faculty five 63 to 33 in a hilarious free-for-all for a Mono-gram Club Benefit fund.

Coach Clarence Boyan's Jayvee squad, hindered by inexperience and lack of height, played an unusually hard schedule and was able to win only 6 of 20 games. Bob Williamson and Jimmy Peebles led the Juniors offensively. Churn, Carroll, Lassiter, and Houlder also were outstanding. Impressive wins over Rocky Mount and Fayetteville were the best-played affairs by the Jayvees. A number of games were lost by one, two, or three point margins.

Head Coach Joe Holliday, right; J. V. Coach Clarence Boyan, left.

JAMESVILLE

In their first game of the season, the Hurricanes ran into some unexpected competition when they defeated a defensively-minded five from Coach Holliday's home town 29-21. Overconfidence hindered the Broughtonites considerably.

BETHEL

In a close first half battle, Broughton broke three tie scores to beat the Class B Champions, 45-29. Bobby Goss contributed 12 points and starred on defense. A combination of too many good reserves and a light defense iced the victory in the second half.

ROANOKE RAPIDS

In a complete rout, the Hurricanes put on a display of offensive power in downing an outclassed Yellow Jacket five 75-26. Goss with 18, and Duncan, Buchanan, and Williamson with 13 each led the triumph in which all fifteen Broughton players participated.

BURLINGTON

In their best victory over a class AA team, the Hurricanes battled hard throughout the entire game to defeat the Burlington Bulldogs 46-35. A lead was built up in the second quarter which the Broughtonites held with the help of Euc-hanan, who contributed 13 points.

GREENVILLE

Limiting their opposition to only 20 points, and leading by 26 points at half time the Purple Hurricanes captured win number five by completely outclassing the Greenville Phantoms 51-20. Buchanan had 12 points and Duncan contributed 11 to pace the winners.

CAMPBELL FRESHMEN

Paced defensively by Dick Sommers and offensively by Buchanan and Duncan, the Hurricanes racked up their sixth triumph in as many home games. The Campbell Freshmen managed only three field goals in the first half and failed to capitalize on their height while being defeated handily by Coach Holliday's reserves. The final score was 51-35.

WILSON

In their first game on a foreign court, the Hurricanes defeated a determined Cyclone crew in a hard fought last quarter, 49-47. Buchanan was high scorer with 25 points. Reserve Harold Rhodes broke a third quarter tie with a set shot to send the Hurricanes into the lead which they kept until the final gun.

CAMPBELL FRESHMEN

Playing on the Camels' home court, the Hurricanes again hit the 75 point mark in downing the hapless Freshmen 75-47. Big Bobby Goss chipped in 23 points to take all scoring honors. All fifteen varsity men saw action.

GOLDSBORO

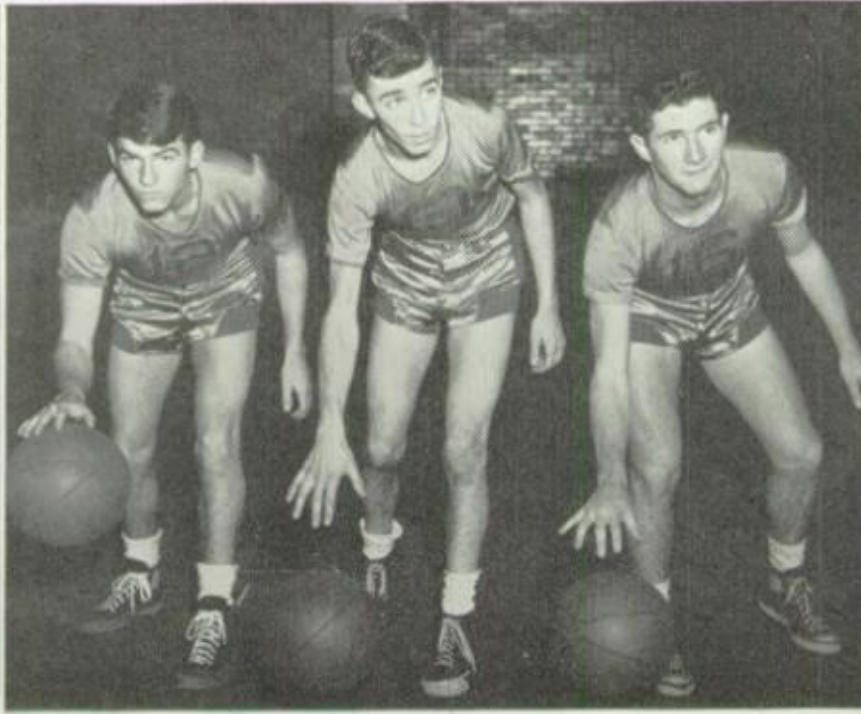

By beating the Earthquakes 48-35, the Purple Hurricanes extended their win streak to nine games. Kim Buchanan again proved his offensive ability by scoring 28 points. During the 3rd quarter, Goldsboro threw up a tight defense; however, Goss and Buchanan paved the way to the triumph.

HUGH MORSON

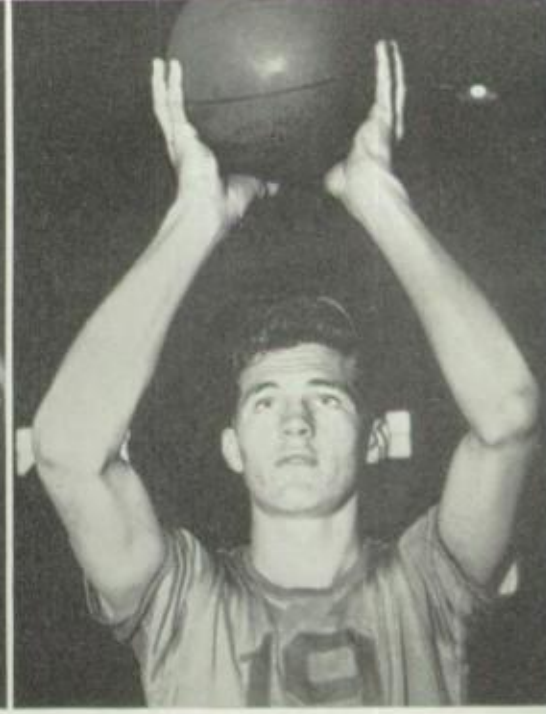

The unbeaten Broughton Hurricanes defeated their cross-town rivals, Hugh Morson, 52-34, in a thriller held on the Auditorium floor. Injured John Duncan and Kim Buchanan led the Purple and Gold with 16 and 17 points respectively. The last-half Broughton power completely bewildered the Morson Caps.

VARSITY

First row: Red Pope, Manager; Pat Caviness, Bob Williamson, Billy Davis, John Duncan, Richard Lassiter, Manager. Second row: Eddie Randolph, Kim Buchanan, Cary Holliday, Harold Rhodes, Mial Williamson, Ken Smith, Howard Twiggs. Third row: Bobby Goss, Dick Sommers, G. M. Wooten, James Bland, Joe Holliday, Coach.

FAYETTEVILLE

By trouncing the Fayetteville Bulldogs, 53-35, Broughton's Hurricanes captured their eleventh consecutive victory and fifth victory over an AA club. Again it was Buchanan and Goss who took high scoring honors. A total of 27 fouls were committed in the roughest game the Broughtonites have played.

BURLINGTON

In a three-minute overtime period, Buchanan sank a field goal and two free throws to lead Broughton to a close 52-50 triumph over an improved Burlington squad. It was nip and tuck all the way, and the Raleigh boys held only a two-point lead at halftime. Because of the five foul limit, Holliday's reserves played most of the last quarter and the exciting overtime.

ROCKY MOUNT

Every reserve saw action once more as the high-flying Purple Hurricanes chalked up a 53-21 victory over the Black-birds of Rocky Mount. It was a team victory, with exceptional ball-handing and shot accuracy. Eleven of the Hurricane players scored.

JUNIOR VARSITY

First row: Holder, Taylor, Poole, Lassiter, Carroll, McMillan, Reams. *Second row:* Hines, Eldridge, Kelly, Churn, Mitchell, Parker. *Third row:* Dunlap, Peebles, Johnson, Ballenger, Strickland.

GOLDSBORO

Completely outclassing their Earthquake visitors, the Hurricanes made it victory number fifteen in their 53-34 win on the Broughton court. Pacing the attack was Mial Williamson and Bobby Goss, 13 and 17 points, respectively, before fouling out. Height was the most important factor in the triumph.

ROCKY MOUNT

Broughton received a scare in their close win over the Blackbirds on the latter's court. The final score was 44-38; the low score being contributed to unusually tight defenses. Although the Broughtonites held an eleven point lead most of the first half, the Blackbirds were able to cut it down and hold the Hurricanes to only 21 points during the second stanza.

FAYETTEVILLE

Coach Holliday played his reserves most of this game in order to rest his starters; however, the Hurricanes defeated once again the Fayetteville Bulldogs. This time the score was 45-33, but the game was not as close as the score indicated. Caviness led the reserves during their play.

HUGH MORSON

Turning the game into a shower of offense during the second half, the Purple Hurricanes won their eighteenth straight victory and remained unbeaten for the entire season by downing the Morson Caps 52-37. It was the second time this season the Caps were beaten by the Hurricanes, who claimed the mythical "City Championship" after this victory. Leading the Broughton victors was Kim Buchanan, who scored 17 vital points. The halftime score was 25-23.

Participating in seven meets this season, Coach Joe Holliday's youthful cindermen captured three wins, placed high in two other relay meets, lost only one, and participated heavily in the State Meet at Chapel Hill, May 28.

The local thinclads began the season with only six lettermen. However, the twelve Sophomores on the squad boosted both field and track events exceptionally well. Only five men will be lost via the graduation route, with twenty-one trackmen returning in 1950.

Individual high scorers were high jumper, shot putter, and discus thrower Bobby Goss, and sprint man John Duncan. Miler Joe Shockley and 880 man Wesley Ledford were defeated only twice during seasonal work. Co-Captains were Goss and Al Boone.

Sonny: Aw, pop, I don't wanta study arithmetic.
Pop: What, a son of mine grow up and not be able to figure up baseball scores and batting averages? Never.

YES, teachers are vitally important to you, and to every good citizen—yet today, as you well know, there are far from enough fully *qualified* teachers in our schools. What can *you* do to help solve the serious school-teacher shortage?

YOU CAN DO THIS! → *drop lead*

First: Check up on educational conditions in your local schools. **Second:** Work with civic groups and school boards seeking to improve teachers' working and living conditions. The joint effort of forward-looking citizens can and must save this situation—for the sake of our children and our country.

really had fun over here - at the beach, remember? Well you're one cute girl and I hope we'll always be good friends. You are awfully sweet when you want to be. (H.P.!) We've had our fun & our fights, haven't we? You've really got a wonderful personality. Well, and I know you'll really go places at Broughton. I want to wish you all the luck in the world - you really deserve it. I hope everything turns out O.K. for us (I know you know what I mean) Well, I'll see you lots this summer I hope & let's have a fine time at the beach. See you in the movies.
